PROVIDING FOR LANGUAGE CLARIFICATION IN CERTAIN STATUTORY REFERENCES RESULTING FROM CHANGES MADE IN THE REORGANIZATION OF THE HOUSE AT THE BEGINNING OF THE 104TH CONGRESS

Mr. THOMAS. Mr. Speaker, I ask unanimous consent for the immediate consideration of the bill (H.R. 1421) to provide that references in the statutes of the United States to any committee or officer of the House of Representatives the name or jurisdiction of which was changed as part of the reorganization of the House of Representatives at the beginning of the 104th Congress shall be treated as referring to the currently applicable committee or officer of the House of Representatives.

The Clerk read the title of the bill.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from California?

Mr. FAZIO of California. Mr. Speaker, reserving the right to object, will the gentleman from California explain the purpose of the legislation?

Mr. THOMAS. Mr. Speaker, will the gentleman yield?

Mr. FAZIO of California. Further reserving the right to object, Mr. Speaker, I yield to the gentleman from California.

Mr. THOMAS. Mr. Speaker, I thank the gentleman for yielding.

What this bill does is attempt to conform the statutes that are on the books with the changes that were made at the beginning of the 104th Congress. As we know, there were three committees that were dissolved, there were significant restructurings in terms of jurisdictions, and all this bill does is to treat references to the old structure in public law as referring to the new structure. References to the old committees are to be treated as referring to the new committees.

This is, in essence, a conforming bill. It does not make policy. Indeed, it simply conforms to policy that has already been passed allowing the new committees to reference themselves in the statutes that are already on the books.

Mr. Speaker, this bill provides that references in public law to any committee or officer of the House whose name or jurisdiction was changed as a part of the reorganization of the House at the beginning of this Congress, shall be treated as referring to the currently applicable committee or officer.

Mr. Speaker, on the first day of the 104th Congress, the new Republican majority lived up to its commitment to the American people by passing major reforms. Among these reforms was the wholesale restructuring of the committee system, which included elimination of three major committees. Committee jurisdictions were consolidated, and the names of several committees were changed.

The primary purpose of this bill is to treat references to the old structure in public law as referring to the new structure. References to

the old committees are to be treated as referring to the new committees.

In the course of restructuring the internal operations of the House, we also eliminated the positions of Director of Non-Legislative and Financial Services and the House Doorkeeper. We created the position of Chief Administrative Officer, and we redefined the responsibilities of the Clerk and the Sergeant-at-Arms.

The Committee on House Oversight has been charged in House rules with providing policy direction for and oversight of the House officers, and is continuing to direct the restructuring of the internal operations of the House. References in public law to the function, duty, or authority of a House officer are to be treated as referring to the officer exercising that function, duty, or authority, as determined by the Committee.

Mr. Speaker, enactment of this bill will result in no changes in policy, rather it will reflect policy changes already made.

Mr. FAZIO of California. Mr. Speaker, further reserving the right to object, if there is no further debate, I would certainly concur in the adoption of the bill.

Mr. Speaker, I withdraw my reservation of objection.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from California [Mr. THOMAS]?

There was no objection.

The Clerk read the bill, as follows:
